AUTUMN WINTER 2014

We hope that you enjoy today's presentation; here are a few pointers to assist you with your understanding of how Daniel Blake works:

COLLECTION

The Collection is designed and manufactured at Daniel Blake's London based Studio Factory, each piece is individually produced by very skilled craftsmen, to the highest standard.

Daniel takes great pride in the quality of his workmanship and as a result he only uses the finest European fabrics and accessories to create every unique piece. As fabrics are very exclusive these are often limited each season.
